Copy of letter D.No.3819, dated 26th June 1932, from the District Judge, South Kanara to the Registrar, High Court, Madras.

I have the honour to state that H.Sitarama Rao, a clerk in the District Munsif's Court, Bangalore, applies for reasons mentioned herein for permission to purchase certain immovable properties at a Court-sale to be held on the 19th July next in R.M.P.No.810 of 1931 on the file of the District Munsif.

2. It would appear from the plaint in the suit the decree in which is now sought to be executed that the applicant in order to accommodate his own brothers-in-law advanced them a loan of Rs.1500 in 1923 to pay off a part of the consideration for a sale deed which they wanted him to obtain in respect of some immovable property situate in their native village. As, however, they failed to repay the amount owing to dissensions in their family consequent upon the death of one of them within a short time after the execution of the sale deed, he was compelled to file the suit and obtain the decree on the charge of the property now advertised for sale. The properties are subject to a prior mortgage debt of Rs.3000 and the amount due to the applicant is about Rs.2400

3. The income of the properties being only 32 muras of rice or Rs.128 at the present market rate of price of rice, the applicant says that, owing to general economic depression, there is no likelihood of bidders coming forward, much less of any chance of his recovering the whole or any tangible part of his decree debt over and above the aforesaid prior debt, unless he is permitted to bid at the auction and purchase the property himself if necessity arises.

4. In the circumstances set out above, I have the honour to request that the Government be pleased to move the Government in order that the necessary sanction applied for as required by rule 10 of the Conduct Rules framed under rule 10 of the Government of India Conduct Rules.
